

There are uses for a Macintosh even in fair weather. For spring we sell lighter weights in both plain Cape Coats and "Inverness" or sleeveless ones. Decidedly more shape to our "Macs" than to the rubber store coats; \$15, up.

Our prices for clothing will be found somewhat higher than the prevalent quotations for "cheap" goods; but the difference in cost is vastly less than the difference in quality. Our garments are "rightly made."

Have you seen those remarkable four dollar Turkish bath robes? The dealers are wondering where we got them.

Stores open this evening.

A FEW DESIRABLE OFFICES FOR RENT IN OUR WAREHOUSE BUILDING.
